**ALL TIMES ARE APPROXIMATE**

There will be an admission fee of \$2.00 per adult and \$1.00 per child 10 and up to enter the tournament.

We appreciate your participation and attendance at the event and ask for your help in displaying positive sportsmanship. First, we ask that all students play hard and respect the efforts of others. Next, we ask that fans support their team with only positive comments about the players' efforts, and refrain from making comments to coaches or officials. The focus should be on the student-athletes and their experiences while competing.
