Dear BESD Community,

What an incredible and unusual week we have had! The last two days have provided an example of what a community can do when it rallies together to meet challenges. Although I would always prefer to offer full services and an all day schedule, we are proud that we were able to stay open and provide an option for our families. Due to the reduced number of students, we were able to leverage staff and not close like so many other districts felt the need to do.

Now our attention turns to next week. As you may have heard, Monday has been designated as another rally day as part of the walkout. **We will be repeating our Thursday and Friday schedule (8:00 am - 12:00 pm) on Monday, April 30th. If anything were to change over the weekend, we will notify you as soon as possible.**

Please remember to call your school's attendance line if you will be keeping your child or children home.

Our students' safety is, and must always remain, our number one concern. Please stay tuned for more information as it becomes available and have a good weekend.
